Graduation: A Beginning & End

On May 31, 1978 and June 1, 1978 Baccalaureate and Commencement Exercises for the 40th graduating class were held in the high school auditorium. Reverend George Ault spoke at Baccalaureate. Student discussions were given during Commencement by Thomas Scott, Diane Szewczyk, Thomas Yoder, and Barbara Kissell. They spoke on "Growing in Faith, Hope, and Love." Instrumental and vocal solos were performed by Deborah Chobany, Saundra Rohde, Thomas Fisher, Mary Beth Harman, and Willean Yoder. Mr. Herdman and Mr. Chobany presented the class with diplomas.

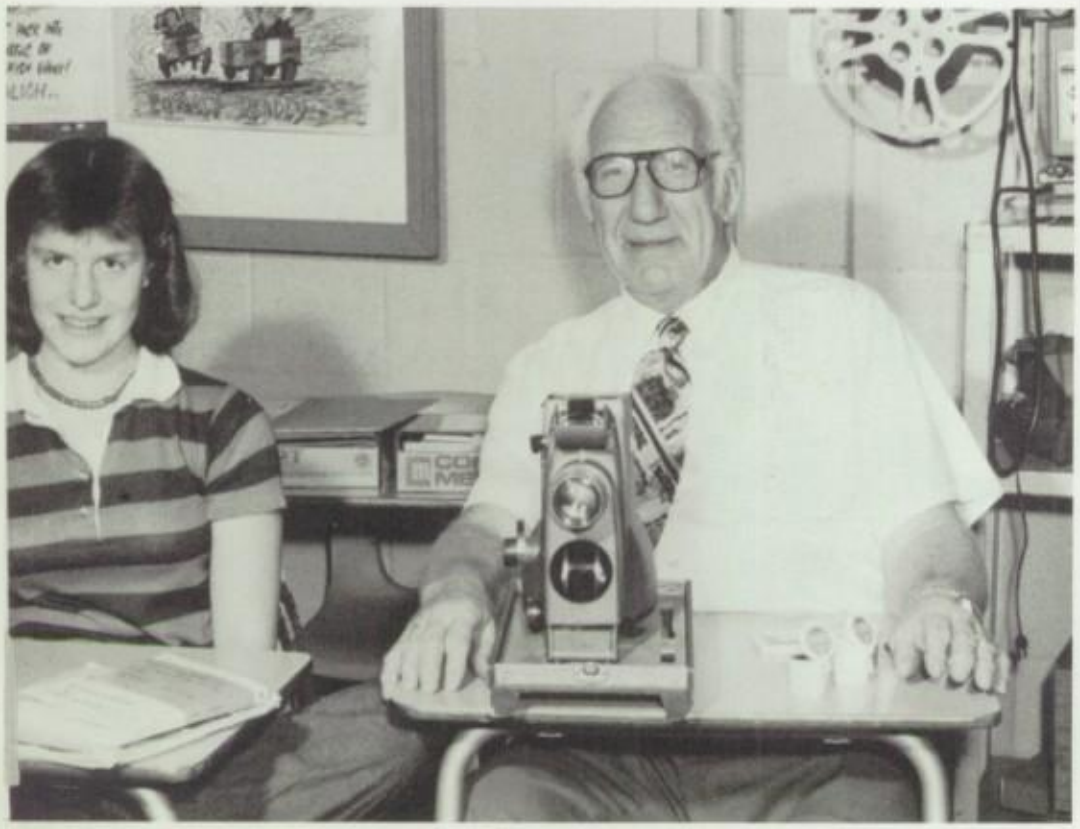
Mr. Shank,

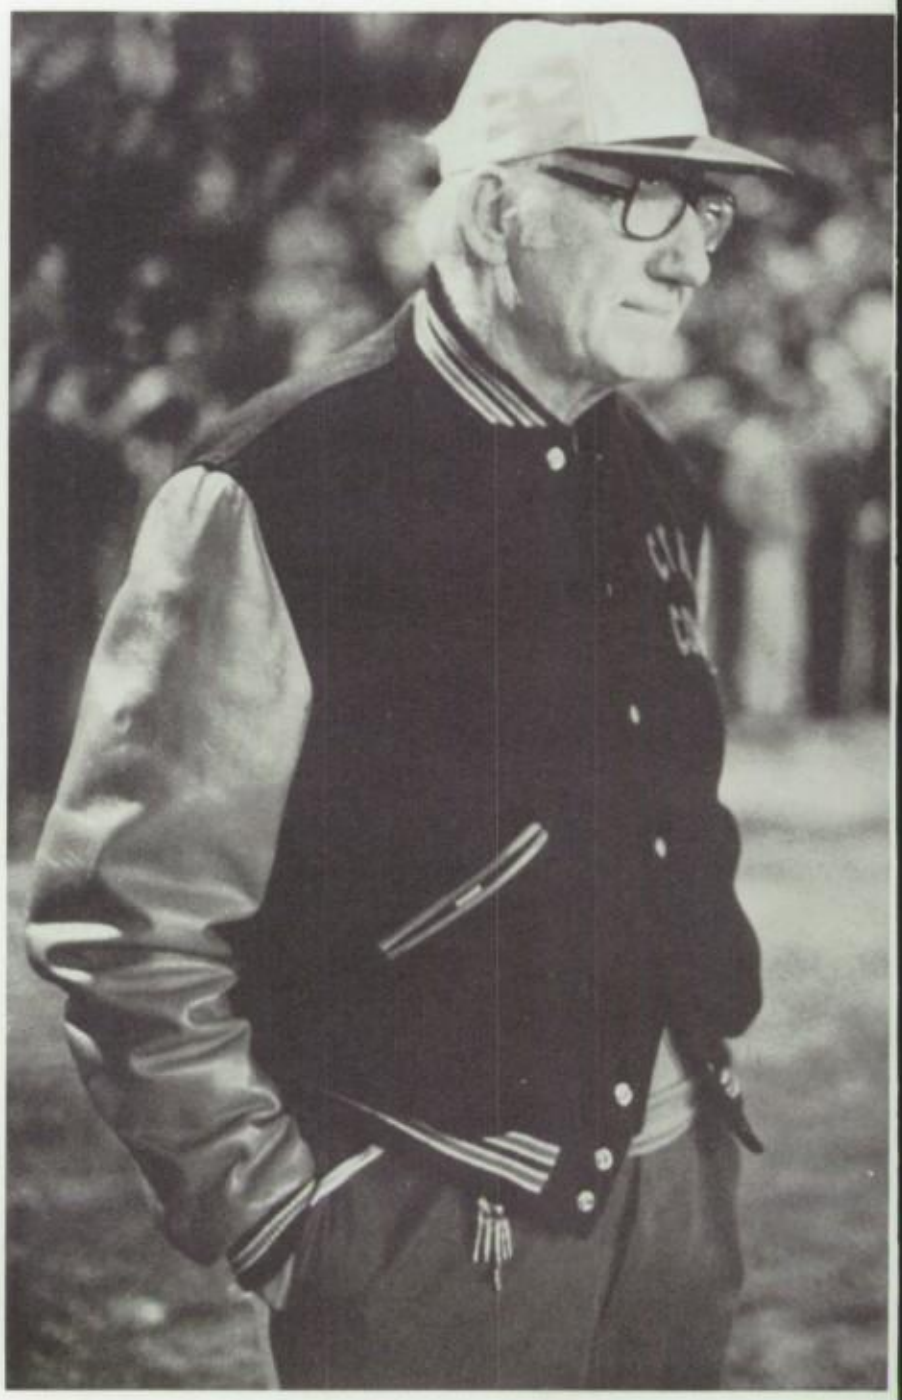
The class of 1978 would like to name you as our "Man of the Year." You have given Township thirty years of service by teaching drivers' ed., phys. ed. first aid, and health; but it's the extras we enjoyed most—the hearty laugh, the friendly smile, and the words of encouragement.

You gained our admiration with your dedication as a trainer. Not only did you support us physically by bandaging our knees and ankles, but you also supported us mentally by giving us the initiative to go on. When we did reach our goals, you were always the first to congratulate us.

We would especially like to thank you for being sophomore class dean. We never could have made it through the first of senior high school without your advice. The Christmas dance was fantastic because of you.

Although we're sad to see you retire, we wish you good luck, health, and all the happiness you have given us here at CTHS.





Mr. Shank Retires After Thirty Years

The People Behind The Scenes

LEFT: Cafeteria Staff-Gloria Smith, Minnie Barkley, Jean Rohde, Betty Dimauro, Mary Stahl, May Garrety, Thelma Weible

CENTER LEFT: AV Aide-Ms. Linda Lafferty.

CENTER RIGHT: Dishwashers-Christine Wood, Linda Tresnicky, Dorothy Lampel.

LEFT: Custodians: Roger Birkhimar, Frank Figard, Clifford Harmon, Pete Yuschick.

A Secretary is . . .

"a hard worker,
neat, efficient,
always busy."

ABOVE: Mrs. Margaret Thomas - Secretary to Mr. Herdman.

UPPER RIGHT: Mrs. Jean Gindlesperger - Guidance Department Secretary.

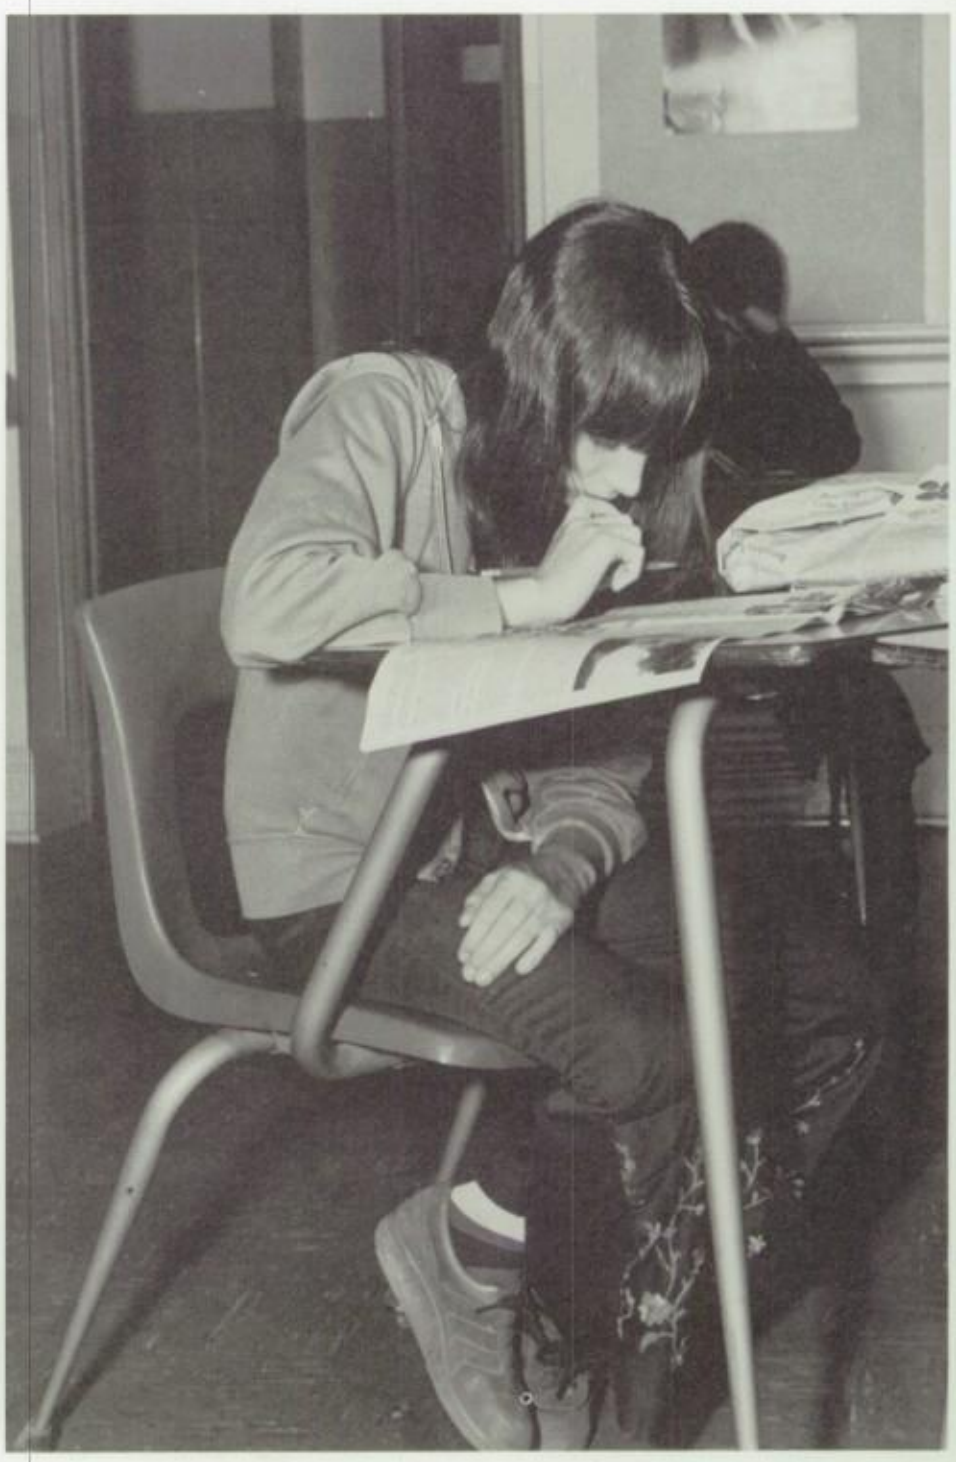
THE WAY WE WALK

Academic Life:

The yearbook staff has included in the 1978 CONNUMACH an additional section entitled Academic Life. In these pages, educational highlights of each grade level will be presented.

Most seventh graders find their World Cultures class both educational and fun, for they must use their imaginations in creating projects pertaining to ancient history. Unique and beneficial courses in remedial math and remedial reading are offered to students who need individual help.



Eighth grade math students go through an exhaustive study and use of the metric system. Events literally jump out of history books for American History students when they visit Fort Ligonier.

Pictures on this page were taken in an ESEA Remedial Reading class, in a Physical Science class, and in a Music Appreciation class where students learn, among other things, ballroom dance.

Beginning with the ninth grade, students may choose some of their courses themselves. One type of elective available is in the languages, either French or Spanish (left). A part of language study which students find enjoyable is becoming acquainted with foreign foods. Freshmen also take a short course in art (bottom).

A number of biology courses are offered to sophomores, each unique in itself. Field Biology students do much of their learning from Nature herself, rather than from textbooks. A fascinating unit included with the Biology A course deals with genetics. During that time, students are able to trace hereditary traits first hand with fruit fly crosses.

A change was made in the Phys. Ed program (below) a few years ago. Now students must participate in a required number of co-ed gym classes.

English mini courses offered to juniors and seniors give those students the opportunity for learning in a variety of subject areas. The picture at the top of the page was taken in a Contemporary Essays class.

The Home Economics department (right) has also gone co-ed, and many boys have taken advantage of the change. During the Home Ec. 11 and 12 courses, students learn about child care and invite toddlers to the school for a period to practice their skills. Many useful industrial arts classes are offered to juniors and seniors. They range from Model Home Construction to Gasoline Engines. A very popular course is Photography,

The picture at the left was taken in a junior World Cultures class where students were learning about China.

A major change which is occuring is in the mathematics cirriculum. Algebra I is now being taught to eight graders instead of to ninth graders. To account for the additional year, a new course, Trigonometry and Advanced Algebra will be instituted, which will allow students to study a full year of calculus in 12th grade.

A work-study program is available to students who wish to obtain on-the-job-training during their senior year. Many business students take advantage of this program because it allows them to put the skills they have learned to use.

Art oriented students may take mini courses in painting, ceramics, sculpture, and jewelry during their junior and senior years.

Pictures on this page were taken in Business, Drawing, and Anatomy Classes.

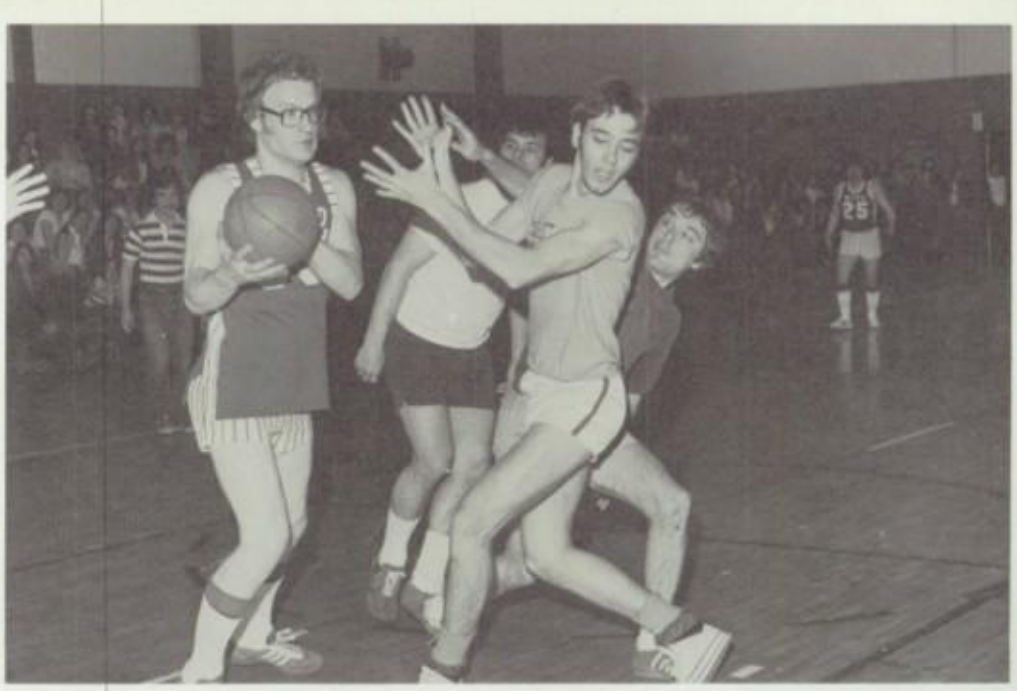
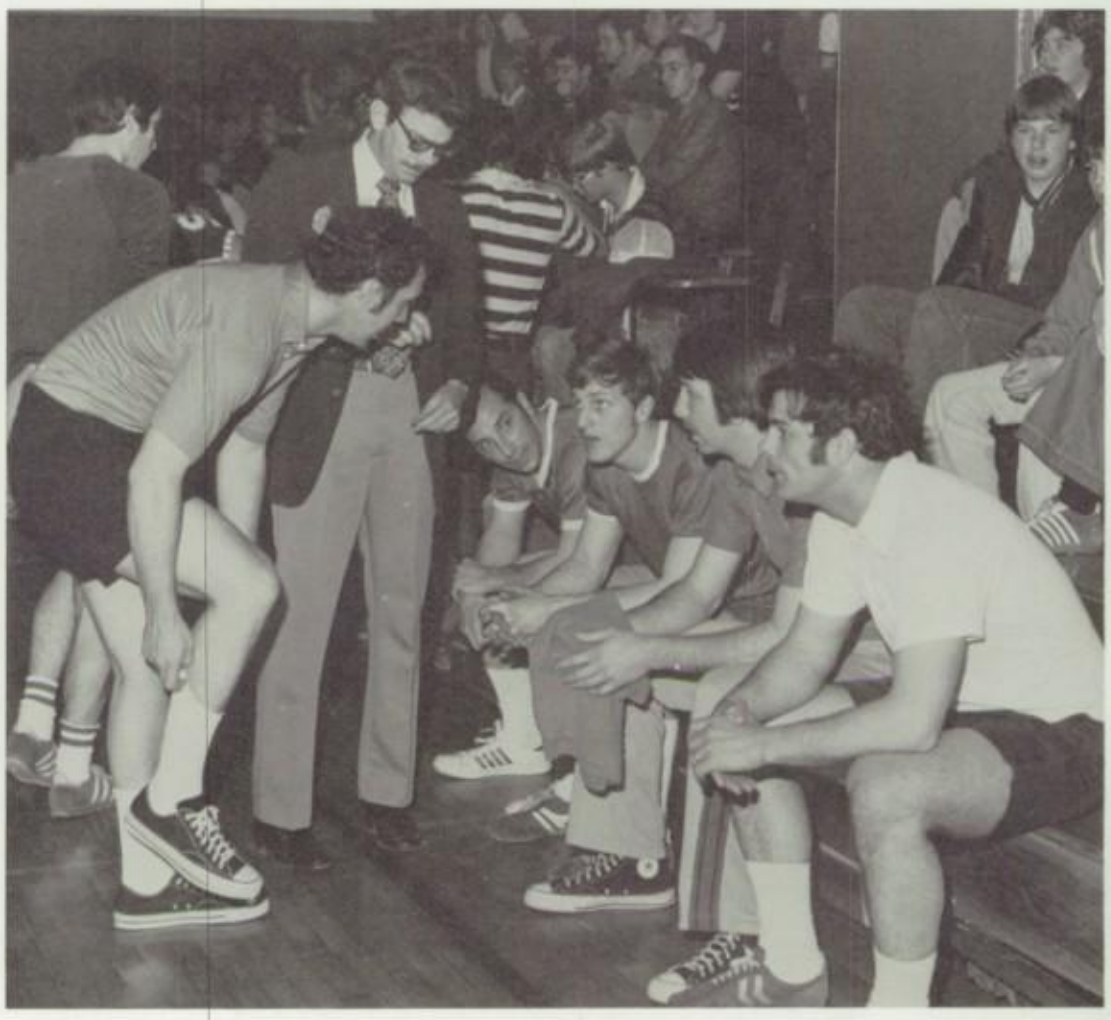
NHS Game A Success

The National Honor Society is composed of Seniors whose high school grade point average is 3.5 or better. These students must also meet the requirements of leadership, character, and service.

Each year the National Honor Society sponsors the Junior High Quizzes and a fund raising project to earn money for quiz trophies and for a get together. This year, however, the society's fund raiser, a basketball game between the faculty and the Double Dribblers from WCRO, was also in part a benefit game for the Somerset County Chapter of the Pennsylvania Association for Retarded Citizens. Of the $390 raised, approximately $200 was donated to PARC.





Members of the 1977-78 Commumach Chapter are: (L-R) Row 1—Barbara Kissell, President; Sally Harker; Marion Sopich; Donna Kauffman; Tom Scott; Mr. Kososki, Advisor. Row 2—Diane Szewczyk; Mary Beth Harman, Secretary; Bob Weible, Treasurer; Jody Howard; Tom Yoder, Vice-President; Randy Cortese; Kim Faust; and Mike Formica. Prom Set In Tropical Paradise

The Junior-Senior Prom was held on Saturday, May 6, 1978, at the Ramada Inn in Somerset. The theme, "The Isle of Golden Dreams", exotically portrayed in the surroundings of the Ramada Courtyard and in the decorations at the Post-Prom, provided an enchanting atmosphere which made the evening memorable for all. During the prom, Annette Felton reigned as queen and Tom Fultz as king. Prince and princesses were Scott Waters and Barb Weaver. Junior Class Officers are Jeff Stover, President; Kevin Kantz, Vice-President; Joanne Badaczewski, Secretary; Trina Beener, Treasurer; and Mrs. Drusak, Advisor.

Cheerleaders Bring Home Two Trophies

On November 18, 1977, the Varsity Cheerleaders attended the annual high school cheerleading contest at the War Memorial, and came home with the second-place trophy. Members of that winning squad were: Vicki Ravenscraft, captain; Andrea Golob, co-captain; Carolyn Gress, Mary Beth Harman; Luciana Rosa; Suzanne Smith; Joanne Badaczewski; Barb Mitchell, Linda Miller; Terri Ravenscraft; Tracey Cober, alternate; Tammy Zimmerman, alternate. Their advisors were Karen Parkinson and Nancy Thomas.

Several months later, on April 26, 1978, the cheerleaders entered a contest held at Shade-Central City High School. There they captured first place.

CT's Majorettes participated in the annual majorette contest held at the War Memorial on March 29, 1978, and took the second place trophy. Their routine was performed to a combination of musical themes which they called "Space Funk." Members of the squad were: Regina Kozielec, head; Nancy Fisher; Terri Thomas; Linda Stayrook, Jackie Varnish, Laura Strayer; Diane Maldet; Beth Strzempka; Lydia Saylor, alternate; Val Kaltenbaugh, alternate, and Robin Bird, alternate. The squad was advised by Cindy Saylor and Jackie Saylor.

The majorettes also attended a contest held at Windber High School on April 8, 1978.

On December 9, 1977 the gymnasium at CT was filled with laughter, smiles, and love. The Class of 1980 made beautiful and lasting memories for everyone when they presented the Christmas Dance, "Winter Reflections." The dance floor was always alive with the great sound of TOUCH. Making sure the dance ran smoothly were the class officers: President Brian O'Connor, Vice-President Laura Strayer, Secretary Tracey Cober, Treasurer Terri Ravenscraft, and Mr. Shank, the class dean.

Homecoming Court Reflects Glow Of Bonfire

The lighting of the bonfire started a flow of events that will always be treasured memories. Standing at the foot of the fire, one could not help but feel the spirit building within everyone. The dance following the bonfire was a smash hit. The next evening Carolyn Gress, escorted by Tom Fisher, was crowned homecoming Queen. The princesses were Luciana Rosa, Vicki Ravenscraft, Pauli Kuchman, and Andrea Golob. Chris Cober presented the roses and Doug Matthews carried the crown. Dampening the spirits of all was the hard fought football game against Windber.

City Flooded Again; Areas Devastated

On the morning of July 20, 1977 many people living in Johnstown and the surrounding areas awoke only to be greeted by devastation. Many hadn't even slept the night before because they had been hopelessly trying to save homes, cars, property, and lives. The rain which began in the late evening of July 19 continued for seven hours until it had dumped up to eleven inches of water on the Johnstown area.

Several sections of Conemaugh Township were greatly affected by the flood. Also, a number of families lost automobiles because the CTAHS Band Boosters had been stuffing newspapers at the Tribune-Democrat during the early morning hours of July 20.

During the weeks and months following the flood, help poured into the Johnstown area in many forms. A notable contribution came from the Mennonite Disaster Service, and for their efforts, they were awarded the Benjamin Rush Award. Accepting the award on behalf of the organization was Mr. Dorsey Eash, a teacher at CTAHS.

We walk but a little way
together—
so may our footsteps
linger—
and may there be flowers
along our path—that we
may hold the fragrant
blossoms in our hands . . .

Winston O. Abbott

It was the aim of the yearbook staff this year to present as completely and interestingly as possible the people who were part of the 1977-78 school year and the events which occured because of them. We hope that our goal has successfully been fulfilled, thereby presenting an accurate history of the school year and a treasured memory book of "the fragrant blossoms that we once held in our hands."

We extend a speical thank you to the following persons and groups for helping us capture the people and events of our school:

Miss Diana Owatt, a hard working advisor;

Cover Studios, whose patient photographers took pictures in many out-of-the-way places;

Walsworth Publishing Company and their dedicated representative, Mr. Bernie Magirl;

The Faculty and administration for enduring interruptions due to picture-taking;

Scholastic Pictures;

Mr. James Volk, business manager.

Dreams.
To my best friend. I hope our closeness will never change. We've had our bad times, and some good times, but the good times will always stand out in my mind the most. Don't ever forget disco class, you looked so cute. I pray that God will bless you always, and that he will make all your dreams come true. Because you deserve the best life can offer anyone. Don't ever change your style, because yours is the greatest. Remember me always. Don't forget to tell your children and grandchildren, and great grandchildren about me.

Never forget all our groovy (sorry that was supposed to be goofy) times together

Thanks for being my friend,

Love,

Chris "82"
